### City of Gloversville Zoning Board of Appeals General Information and Procedures

Zoning Officer: David Fox (518) 725-3124 or (518) 921-1024

Zoning Board Secretary: Tracy Gutowski (518) 725-3124

Regular Meetings: \*First Wednesday each month at 7:00 p.m.

Meeting Location: City Hall, 3 Frontage Road, Gloversville, NY

#### **Procedures**

- 1. The applicant or a representative must be present before the ZBA will hear the case.
- 2. The applicant must supply the Clerk with 11 copies of the following: application, plot plan showing all property dimensions; lot size, location of septic and size of all buildings, and a diagram showing all proposed changes not later than 14 days before meeting date, by 10:00 a.m. Photographs of the property and buildings are recommended. In addition, where appropriate, it is recommended that the applicant have a larger field drawing (such as a tax map) showing the locations of all adjoining properties and their structures. For their own protection, the applicant should have a certified survey of the lot for which the variance is requested, but this is not mandatory.
- 3. The applicant should bring written, signed letters from adjoining landowners stating their position regarding the requested variance and or proof of notification via certified mail return receipt requested.
- 4. The applicant or their representative will describe the variance requested and answer all questions by members of the Board.
- 5. Input concerning the requested variance will be requested from the Zoning Officer, and where appropriate, the City Planning Board and the County Planning Board.
- 6. Concerned citizens will be provided the opportunity to give input concerning the requested variance.
- 7. If more information is needed, the Board may request that the applicant obtain the requested information and come back at the following month's meeting.
- 8. In order for any motion to pass, three (3) votes, the majority of the Board, are required.

#### **Summary of Use Variance Criteria**

To allow a use not otherwise allowed in zoning, an applicant must demonstrate to the Board **Unnecessary Hardship.** Such demonstration includes all of the following for each and every permitted use:

- 1. Cannot realize a reasonable return substantial as shown by competent financial evidence;
- 2. Alleged hardship is unique and does not apply to substantial portion of district or neighborhood;
- 3. Requested variance will not alter essential character of the neighborhood;
- 4. Alleged hardship has not been self-created.

If approved, the Board shall grant minimum variance necessary, and may impose reasonable conditions.

## **Summary of Area Variance Criteria**

**Balance Test** – Board of Appeals shall balance benefit to applicant with determent to health, safety, and welfare of the community. Board of Appeals shall also consider:

- 1. Whether benefit can be achieved by other means feasible to applicant;
- 2. Undesirable change in the neighborhood character or to nearby properties;
- 3. Whether the request is substantial;
- 4. Whether the request will have adverse physical or environmental effects;
- 5. Whether the alleged difficulty is self-created.
  - If approved, the Board shall grant the minimum variance necessary, and may impose reasonable conditions.
